Assessments and Liens

Section 35.1 Covenant to Pay Assessments. Each homeowner by acceptance of a deed for a lot located within the Subdivision, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association; (a) annual and monthly assessments or charges as herein set forth and as established by the Association from time to time; and (b) special assessments for capital or other improvements or acquisitions, which assessments are to be established and collected as hereinafter provided.

Section 35.2 Lien for Assessments. The annual, monthly and special assessments, together with interest, service charge, if any, costs and reasonable attorney's fees required to collect the same, if any, shall be a lien against the lot owned by the party failing to pay the same; provided, however, that any such lien shall be subordinate and inferior to any first mortgage encumbering such lot. Assessments shall be made pursuant to the Bylaws of the Association. No owner of a lot may exempt himself from liability for his contribution toward the common expenses by waiver of the use or enjoyment of any of the property owned by the Association or by the abandonment of his lot.

Section 35.3 Purpose of Assessments. Assessments levied by the Association from time to time shall be used exclusively to promote and maintain the recreation, health, safety and welfare of the members of the Association, and for maintaining all the property within the Subdivision as provided in this Declaration.

Section 35.4 Deposits or Assessments. Any and all sums collected from assessments or related payments may be commingled with each other in a single account and shall be held and used for the purposes set forth in this Declaration, the Articles of Incorporation or Bylaws of the Association, or other agreements among the Owners or the Lots subject to this Declaration.

Section 35.5 Maximum Annual Assessment. Until January 1, 2008, the maximum annual assessment for a Owner shall be \$250.00 per year per lot, payable as is

provided in Section 35.9 hereinafter, or as otherwise determined by the Board of Directors of the Association. From and after January 1, 2008, the maximum annual assessment may be increased each year by not more than ten percent (10%) above the maximum assessment for the previous year by the Association's Board of Directors without a vote of the membership. From and after January 1, 2009, the maximum annual assessment may be increased by more than ten percent (10%) only by the vote or written approval of at least sixty percent (60%) of the votes entitled to be cast of property owners belonging to the Association.

Section 35.6 Monthly Assessments. The Association has the right to maintain landscaping as provided in Section 4.2 of this Declaration. Payment for this service shall be by a monthly assessment as contained in a written notice from the Association to each lot owner. Payments of the monthly assessment are due on the 1st day of each month.

Section 35.7 Special Assessments. In addition to the annual assessments authorized above, the Association may levy in any assessment year a special assessment applicable to that year only for the purpose of defraying in whole or in part the cost of any construction, reconstruction, repair or replacement of any area or improvement which is the responsibility of the Association, including improvements, fixtures, real or personal property related thereto; provided, however, that any such special assessment shall be made in accordance with the Bylaws of the Association.

Section 35.8 Collection of Assessments. Annual assessments shall be due and payable on the first of January commencing January 1, 2007 and shall be delinquent if not paid by the 15th day of February of each year. Special assessments shall be due and payable in accordance on such dates and such terms as may be adopted by the Association. No setoffs shall be allowed to any Owner for repairs or improvements, or services contracted for by any Owner without the express written authorization of the Board of Directors of the Association. The Association shall be entitled to collect from the Owners all legal costs, including a reasonable attorney's fee, incurred by the Association in connection with or incident to the collection of such assessment and/or service charges or fees in connection with the enforcement of the lien resulting therefrom.

Section 35.9 Service Charge for Delinquent Assessment. In order to defray the cost of bookkeeping, billing and related expenses, all assessments not paid within fifteen (15) days after the due date, may, upon the decision of the Board or Directors of the Association, bear a service charge of five percent (5%) of the past due amount.

Section 35.10 Effective Transfer of Title on Assessment. The sale or transfer of any lot shall not adversely affect the assessment lien; provided, however, the sale or transfer of any lot pursuant to a mortgage foreclosure or any proceeding or transfer in lieu thereof shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No sale or transfer, however, shall relieve such lot from liability for any assessment thereafter becoming due or from the lien thereof. In any voluntary

conveyance, the Grantee of a lot upon which there shall exist any unpaid assessments due the Association, shall be jointly and severally liable with the Grantor for all such unpaid assessments up to the time of such voluntary conveyance without prejudice to the rights of the Grantee to recover from the Grantor the amounts paid by the Grantee therefore. Any such Grantee shall be entitled to a statement from the Association setting forth the amount of the unpaid assessments against the Grantor to the Association, upon request, and such Grantee shall not be liable for, nor shall the lot conveyed be subject to a lien for any unpaid assessments made by the Association against the Grantor in excess of the amount of the statement; provided further, however, the Grantee thereof shall be liable for all assessments becoming due after the date of such transfer.

Section 35.11 Rights of Declarant. Notwithstanding anything herein to the contrary, Declarant shall be exempt from the payment of assessments against Lots owned by the Declarant. Declarant covenants and agrees that so long as this exemption is in effect, Declarant shall pay on the behalf of, or reimburse the Association, all expenses incurred by the Association in the performance of duties hereunder, exclusive of reserves, in excess of the amount of assessments levied against owners other than Declarant; provided, however, that in no event shall Declarant be liable for payment of an amount in excess of the amount Declarant would be obligated to pay if this exemption from payment of assessments were not in effect.
